KAREN EFEREYAN

FRONT-END DEVELOPER

I am a front-end developer with 1+years experience in using html, css and js to build aesthetically pleasing and functional web products.

SPECIALIZATIONS

• Front-end web development using HTML, CSS and JS
• Basic UI/UX Design skills using Figma
• Technical Writing
• Version Control Systems(Git, GIthub, Gitlab) for collaborative work.
. Translating mockups to clean, understable and functional code.

WORK EXPERIENCE

Web Developer Intern
CODESQUAD LLC
MAY 2019 - OCTOBER 2019

- Prepared test plans and cases based on user requirement for software products.
- Led and collaborated with other developers on weekly basis to provide detailed project reports and milestone updates.
- Seamlessly translated UI/UX design mockups into software products.
- Actively involved in all stages of systems development life cycle, by providing on-going maintenance to previously built and deployed applications for our end-users.
